We are off to a wonderful start to our 4th quarter. Our students are ready to show what they know in the state and district assessments in April. Students in Kindergarten through 3rd grades will be doing the end of year (EOY) DIBELS assessments from April 7 - 25. Students in grades 3rd through 5th will be taking state assessments from March 31 – April 25. It is important that students arrive on time and are at school every day, especially during testing times. It is also beneficial for students to get plenty of sleep and eat a good breakfast. The state requires specific grade level students to test and to follow specific testing protocols. Please review the testing dates for your child listed under IMPORTANT DATES, to the left or from the information your child's teacher has shared with you.

SAFETY CONCERNS & REMINDERS:

- **Campus opens at 7:30 AM daily. There is NO supervision for students before 7:30 AM. Do not drop your child off until campus gates are open.**
- **The front parking lot is NOT for student drop off.** There is a drive through drop off in the parking lot off Mann Ave. or use the drop off bay on Stella Rd.
- **Please do not double park or stop in the street on Stella to have your child walk between cars at parent pick up.** Everyone has places to go but safety is the priority. Please pull into the pick up lane on Stella or park across the street and have your child use the crosswalk to cross the street safely. Thank you for your patience and modeling safety for your child and others.
- **Please remain in your car while using the pick up lane on Stella.** This helps the flow of traffic move quickly. If you need to walk up to pick up your child(ren), please park along the park or the North side of Stella Rd.
