Safety Concerns & Reminders

- **Campus opens at 7:30 AM daily. There is NO supervision for students before 7:30 AM. Do not drop your child off until campus gates are open.**
- **Please do not double park or stop in the street on Stella to have your child walk between cars at parent pick up.** Everyone has places to go but safety is the priority. Please pull into the pick up lane on Stella or park across the street and have your child use the crosswalk to cross the street safely. Thank you for your patience and modeling safety for your child and others.
- **Please remain in your car while using the pick up lane on Stella.** This helps the flow of traffic move quickly. If you need to walk up to pick up your child(ren), please park along the park or the North side of Stella Rd.
