Math & Science Night

## SAVE THE DATE!

### Family Night

November 19, 2024

Erickson Cafeteria

5:00 – 6:30 PM

Come join us for information, learning, resources, and fun!

Students **MUST** be accompanied by an adult.

**Principal’s News:** We are very proud to announce that we are a “B” school again! Erickson showed the progress needed to raise our school grade from a “D” to a “B!” Thank you, parents and families, for getting your child(ren) to school on time, stressing the importance of being here every day, and supporting them academically. Your love and support of your child(ren) prepares them for the learning and growing they do here at school. Thank you to our teachers and staff who continue to be dedicated to creating learning communities in their classrooms that provide opportunities for growth and success. With our continued partnership, our Erickson students will continue to grow and succeed! Thank you.

Fall is here and it is nice to finally feel a break from the Tucson heat. Mornings are going to start being cool with a nice warm up during the day. Many students take off their jackets and sweatshirts during recess and lunches. If your child is missing a jacket or sweatshirt, please remind them to check their desk, cubby, or our lost and found in the cafeteria.

November brings us to a time of year when we often share our gratitude with others. I am thankful for our hard-working Erickson families, students, and staff.
