

Hello Erickson Families. I hope everyone is well and excited that school is going to be starting soon! **Are you ready for the first day of school on Thursday, August 5?** Our teachers are getting ready to return to work and have been busy planning wonderful, engaging activities to help everyone learn and grow.

A letter was mailed out this week to each student. The envelope contains a letter from your child's teacher, our August newsletter with important dates, and a general supply list. Please call the office if you do not receive your letter by Tuesday, July 27.

We still have some families that have not completed registration. Please log in to ParentVue as soon as possible or stop by our office to complete your registration process. Contact our office if you need assistance with registration or accessing your ParentVue account. Please call 584-5002 and leave a detailed message if we are not available to take your call or email Kirsten.miller@tusd1.org.

Do you or someone you know need a part time job? We need monitors. It is 15 hours a week, split times daily. Monitors are needed for supervision on the playground before school, during all lunch times, and at dismissal. If you or someone you know are interested, please go to our tusd1.org website and look for Erickson jobs under CAREERS to apply.

Friendly reminder that if you still have any TUSD/Erickson technology checked out, you can still return it and have fees adjusted. As we start school here at Erickson, all learning is in person and we will not be using technology to interact with teachers.

Throughout the year I will be emailing updates and monthly newsletters. Please make sure your email and phone number are always up to date in ParentVue. On August 2, I will email information about Meet the Teacher that will take place on August 4, from 1:00 – 3:00 PM. I will also be emailing detailed information about drop off and pick up locations along with other important school information. Please see the attached newsletter with important dates for August and the beginning of September. Please note something new this year, there is no school on Thursday, August 26, 2021. It is a professional learning day for teachers and staff. There will be one Thursday off each quarter this year for professional learning days.

Have a great day. Be well.

Rachel Romero
